

Garden Montessori Kindergarten Newsletter September 20, 2018

Reminder

Please send in an extra set of clothing for your child. Many of our experiments and classroom projects will use water and can be messy. We would really like to be prepared in case of an emergency. Thanks for helping us out!

Reminder

Please send in time line photos, family photos and house photos during the next two weeks. Students will start their timeline projects on Tuesday next week.

Classroom News

We have been learning all about the solar system and have been working on a variety of projects. Please watch for these activities in the next work folder. A special note to parents – we have been learning about 13 planets! We have included the 5 dwarf planets in our learning projects, so ask your students to tell you all about them next week!

Our field trip to Yeck's Pumpkin Farm is scheduled for October 18th. We will be leaving the school at 12:30 and returning by 2:30. We will be traveling by bus. We will be eating lunch at school before we leave so please don't forget to send in a lunch that day. It will be a very busy day, so please send your child dressed appropriately for the weather, for a hay ride and lots of play!

Reading

Math Skills

Measuring

Using School Tools

Cleaning Up

Grace and Courtesy

Patience

Being Kind to Others

Taking Turns

Peace

How to take care

Of Myself

Cold and Flu Season

Please be aware that cold's and flu symptoms have been showing up early this year. If your child is sick, please keep them home! Signs to watch for include stuffy or runny noses, coughing, tiredness, and fevers.

Library Visit

Next week will be our first Library visit day. Weather permitting we will be walking to the library to get books. These books will come home with the students in a Garden Montessori Book Bag. Books will be due back in 2 weeks.

Please remember that Parents are responsible for returning books to the Library !

Please return the Garden Montessori Book Bag back to school for our next library trip.

All late fees are the responsibility of the parent. It is very upsetting for students to be unable to get books on our visit .

Where the Wild Things Are

We are planning a Literacy STEM day for kindergarten students in October based on the story book, "Where the Wild Things Are".

We are looking for donations of the following for this day.

Styrofoam Bowls

Aluminum Foil

Straws

Popsicle Sticks

Paper Bags Lunch Size

Uncooked Rice

Empty Toilet Paper and
Paper Towel rolls
